March 2012

Greetings:

Many thanks to you, our travelers, for your continued interest in traveling with us. It is always humbling and we appreciate your patronage. We hope that you will enjoy reading this new brochure and that you will find a trip that peaks your interest. Hopefully our few words will whet your appetite to know more about a trip so we invite you to go to our website: www.gowithgaynelle.com or www.royaltoursinc.net to read a day by day detailed itinerary. If you do not have a computer, call our office and we will send you a copy of a particular trip from our website.

How nice it is to be part of the internet world in this 21st century! We have had great success with our "In the Spotlight" emails that remind travelers of upcoming trips and announce new trips not listed in the brochure. We have also had great feedback from many of you regarding our contact with you via e-mail and we thank you. If you do not wish to receive this information, just hit that delete button and out we go, but if you absolutely don't want to be bothered at all, just let us know and we will remove your name from our e-mail list.

We made many, many phone calls in 2011 trying to get e-mail addresses and up-dating our postal mailing list. If we have failed to contact you and you have an e-mail address, would you just send us a note and we will add you to our growing list. If you don't have email, per-

haps a friend or family member would allow you to receive these notices and pass them along to you.

Always we thank you for your friendship, your loyalty and for giving us the opportunity to show you interesting and beautiful parts of God's wonderful world.

Each port is most interesting and at this time of year, autumn leaves should be beautiful!

WINTERTIME GET-AWAY TO THE CARIBBEAN ON CELEBRITY'S "SILHOUETTE"

JANUARY 26 - FEBRUARY 4, 2013

We're going to the Caribbean again to enjoy the warm weather in cold January. The ship is Celebrity's newest beauty, "Silhouette." She sails out of Ft. Lauderdale so that means we will go by coach with an overnight en route each way or you can fly from your nearest airport to Ft. Lauderdale. It doesn't matter which of the ports we visit just as long as the weather is beautiful and warm! The itinerary for this cruise takes us to Cozumel, Grand Cayman, Jamaica, and the beautiful private island in the Bahamas . . . beautiful Cococay! At the time of booking this group, rooms with

balconies were priced lower than the ocean view rooms with just a window. Why not have a balcony on this trip? Even the concierge class rooms were so reasonably priced that they are being offered as well. Why not enjoy all the plush extras that come with staying in a concierge class room???

Prices quoted include the cruise itself, all taxes and port charges, roundtrip transportation aboard our motor coach, overnight accommodations in St. Augustine the first night and the Embassy Suites in Brunswick, GA the last night which will be Super Bowl Sunday! What a great time we can all have that evening! Breakfast is included at both hotels. Insurance for the full cost of the trip is included.

*Life is not a journey to the grave
with the intention of arriving safely
in a pretty and well-preserved body,
but rather to skid in broadside,
thoroughly used up,
totally worn out,
and loudly proclaiming:
WOW!! What a Ride!*
